MEMORANDUM FOR: Director of Central Intelligence

FROM: William F. Donnelly
Deputy Director for Administration

SUBJECT: Weekly Report for Period Ending 25 September 1987

1. The Office of Personnel reports that eleven minority students will take part in the Agency's first Undergraduate Scholar Program. They will receive college tuition, books, room and board, travel expenses, and salary while participating in the program, in anticipation of their working for the Agency following graduation. Six will be going to the Directorate of Science and Technology, three to the Directorate of Intelligence, and two to the Directorate of Administration.

3. The Office of Training and Education's Center for the Study of Intelligence conducted a two-and-one-half day conference at the Xerox Training Center on "Superpower and Superstate: The United States, Japan and High Technology for the 21st Century. Participants included representatives from the Congressional Office of Technology Assessment, the National Academy of Sciences, Johns Hopkins and George Mason Universities, Motorola and Texas Instruments, and all four Directorates of the Agency.
